Every Saturday Afternoon in August

Join us for the return of live music sessions at Bar Prince this August. Let the bustle of Princes Street fade as you step into the glamorous Bar Prince where you can take a seat in one of the cornflower-blue leather chairs or perch at the bar, decorated with gleaming copper barware.

Our live music sessions continue with performances every Saturday in August from musicians including Rhian Ferrigan, Robert Berry, Catherine Ward and Hayley McKay.

Whether you're joining us for a signature cocktail, summer spritz or a light bite, settle in with a drink in hand and listen to our incredible line-up of musicians.
